WHAT TO EXPECT

Two days exploring the clinical practice and future of robotic surgery:

- ✦ Live surgery from multiple operating rooms at our interdisciplinary high-volume centre
- ✦ Robotic surgery across disciplines – from general surgery to urology, endocrine and breast surgery
- ✦ Keynotes and case presentations by national and international experts
- ✦ Interdisciplinary exchange and networking

We look forward to welcoming you to Stuttgart!

Prof. Dr. med. Christian Schwentner

Medical Director, Department of Urology

Prof. Dr. med. Hannes Neeff

Medical Director, Department of Surgery

Prof. Dr. med. Frank Werdin

Medical Director, Plastic, Aesthetic and Hand Surgery

Diakonie-Klinikum Stuttgart
Rosenbergstraße 38
70176 Stuttgart
